The figures at the end of this table show totals of **applications** refused and refusals overcome. The total of applications refused does not necessarily reflect the number of persons refused during the year. One applicant can apply and be found ineligible more than one time in a fiscal year.

<sup>1</sup> The total grounds of ineligibility may exceed the number of applications refused because one applicant may be found ineligible under more than one section of the Immigration and Nationality Act.

<sup>2</sup> The total of ineligibilities overcome may not necessarily represent the same visa applicants found ineligible and recorded in the total of ineligibility findings. A visa may be refused in one fiscal year and the refusal overcome in a subsequent fiscal year. Each action will be separately recorded as part of the appropriate statistical report for the year in which it occurred. A refusal can be overcome by evidence that the ineligibility does not apply, by approval of a waiver, or by other relief as provided by law.
