Notice: Annual Report Correction

In January 2011, The Department of State published the Annual Report on Intercountry Adoption to Congress. We learned that one case was mistakenly reported as an adoption of a Kyrgyz orphan due to a transcription error made when the visa was issued. We have confirmed there were no adoptions of children of Kyrgyz nationality by U.S. citizens in fiscal year 2010. The Department regrets this error in its Annual Report and will continue to provide updates on intercountry adoption in Kyrgyzstan.
