Medical Exam Instructions

All persons immigrating, regardless of age, must have a medical examination. All persons over the age of 15 years require a laboratory test and chest x-ray.

You should contact Dr. Anneli Talvik as soon as possible to receive instructions about obtaining the laboratory test, vaccinations and x-ray, and to make an appointment for your medical examination. Please remember that it can take up to one month to get your medical examination results.

Approved physician

Dr. Anneli Talvik

Narva mnt 7/1, 3rd floor

Tallinn

Phone # 7151701

The charge for the examination for adults is approximately 310 EUR and for children 155 EUR, there may be additional fees for vaccinations. The fee should be paid by the applicant.

Items to bring to your medical examination

You should bring the following items to your medical exam:

- Your visa interview appointment letter
- Your passport
- One (1) recently taken passport-sized color photograph
- A copy of your immunization records
- DS-260 Confirmation Page

During the medical exam

The medical examination will include a medical history review, physical examination, and chest X-ray and blood tests (for applicants 15 years of age or older). The United States also requires tuberculosis (TB) testing for all applicants two years of age and older. Please be prepared to discuss your medical history, medications you are taking, and current treatments you are undergoing. More information on general medical requirements for U.S. immigrants is available on the [Centers for Disease Control and Prevention](#).

U.S. immigration law requires immigrant visa applicants to obtain certain vaccinations prior to the issuance of a visa. Current immigrant visa vaccination requirements are available [CDC's website](#). You can also read Frequently Asked Questions about our medical examination requirements [online](#).

After the medical exam

When your examination is completed, the doctor will provide you with exam results in a sealed envelope or **send them directly to the U.S. Embassy. IF GIVEN AN ENVELOPE TO CARRY TO YOUR INTERVIEW, DO NOT OPEN THIS ENVELOPE. Instead, bring it to your visa interview.** Any x-rays taken will be given to you. You **DO NOT** need to bring the x-rays to your visa interview unless you suffer from tuberculosis (TB). However, you **must** carry the x-rays with you when you travel to the United States for the first time. The medical report must be less than six months old when you enter the United States as an immigrant.

Pre-Interview Checklist

Please use the list below to determine the items that every applicant must bring to the immigrant visa interview:

- A copy of your NVC interview letter (does not apply to Diversity Visa, fiancé(e), adoptive, or asylee/refugee applicants).
- Unexpired passport valid for six (6) months beyond your intended date of entry to the United States and a photocopy of the biographic page (where your name and photo are located).
- Two (2) color passport-size photographs of each person applying for a visa (5 cm x 5 cm, or 2 inch x 2 inch). Please review our [online photo requirements](#).
- Confirmation page from the Form DS-260 Application for an Immigrant Visa you submitted online at ceac.state.gov/iv.
- Your **original** birth certificate, English translation, and a photocopy.
- Medical examination results in a sealed envelope (*if the physician gives you these results*).
- Original or certified copies of birth certificates for all children of the principal applicant (even if he or she is not accompanying).

Applicants who fall into any category listed in italics below should bring these additional documents:

For family-based visa applications:

- The appropriate [Form I-864 Affidavit of Support](#) for **each** financial sponsor along with a photocopy of the sponsor's IRS transcript or most recent U.S. federal income tax return, and any relevant W-2s.
- Proof of your U.S. petitioner's status and [domicile](#) in the United States (photocopy of a U.S. passport, naturalization certificate, or lawful permanent resident card).
- Evidence of the relationship between the petitioner and visa applicant (such as photographs, letters, or emails).
- If you are married:* Your **original** marriage certificate, English translation, and a photocopy.
- If you were previously married:* Your **original** divorce or spouse's death certificate, English translation, and a photocopy.
- If you are older than 16 years of age:* The **original** police certificate from your country of current residence and countries of previous residence. Residents of Estonia can obtain a **Good Conduct Certificate (Tõend Karistuse Kohta)** by submitting a request online at rik.ee/et/karistusregister. Please request the archive information as well. If the Estonian Good Conduct Certificate indicates that an applicant has been convicted, the applicant must provide certified copies and translations of the court verdict as well as the court records of the trial proceedings. Applicants providing an incorrect police letter is the most common reason immigrant visa cases are denied/delayed at Embassy Tallinn, please make sure to ask for archived information.

If these three items are **all** true, you must bring a more recent police (or Good Conduct) certificate to the interview:

1. You are older than 16 years;
2. You obtained a police certificate and submitted it to NVC more than one year ago; and
3. You still live in the country that issued the police certificate.

- For employment-based visa applications:* Letter from your U.S. employer dated less than one month ago.
- If you have ever been convicted of a crime:* Court and criminal records, English translation, and a photocopy.

Pre-Interview Checklist

- If you have served in any country's military:* Military records, English translation, and a photocopy.
- If you are adopted:* Adoption papers or custody documents, English translation, and a photocopy.
- If you are the petitioner's stepchild:* The **original** marriage certificate of the petitioner and your biological parent, English translation, and a photocopy along with divorce records for any previous marriages of either parent.

Interview Guidelines

Sending documents to the U.S. Embassy

If the U.S. Embassy requests additional information or documentation from you, the letter given to you by the Consular Officer at the interview will instruct you how to complete your application. Please follow the instructions in the letter.

Rescheduling or cancelling your interview

If you are unable to attend your appointment, please email VisaTallinn@state.gov to request a new appointment date. **There may be a significant wait before the next available appointment**, so please attempt to attend the date already assigned. For some family-based and employment preference visa categories, a visa became available within the month you have been scheduled by NVC. DV applicants should be aware that visas are numerically limited and must be issued by September 30 of the program year. **There is no guarantee that a visa will still be available on the date of your rescheduled interview.** Please carefully consult the [Visa Bulletin](#) before you request to reschedule your interview.

Security screening procedures

All visitors to the U.S. Embassy Estonia must follow certain security procedures. Any visitor who declines to be screened by U.S. Embassy security personnel will be unable to enter the embassy. To avoid delaying your entry and that of those in line behind you, please bring only what is required for your interview. If you leave items in your car, be sure to put them in the trunk and lock your car; do not leave any personal items in view in the passenger compartment.

Accompanying persons

The following persons may accompany a visa applicant to their interview:

- Interpreter: Applicants may bring ONE interpreter if they do not speak English, Estonian, or Russian well enough to participate in an interview.
- Special Needs Visitors: Applicants may bring ONE person to help if they are elderly, disabled, or a minor child.

Attorneys are **not** permitted to accompany clients into the waiting room or to their interview.

Immigrant visa fees

If you have not paid all required fees to the National Visa Center, please be prepared to pay these fees on the day of your interview. All fees may be paid in U.S. dollars or euros. We accept cash and credit cards only. *Please note that if you are found ineligible to receive a visa, the application fee cannot be refunded.* A complete list of fees can be found [here](#).

Do not make travel plans outside of Estonia

If your visa is approved, we will keep your passport at the embassy while we prepare your immigration packet and print a visa for your passport. The consular officer will tell you when to pick up your passport at the embassy. If you have to travel within Estonia while your passport is still with us, please make sure you have a valid picture ID other than your passport.

After Your Visa Interview

A consular officer can make a decision on a visa application only after reviewing the formal application and interviewing the applicant. ***There is no guarantee that you will receive a visa.*** Do not sell your house, car or property, resign from your job or make non-refundable flight or other travel arrangements until you have received your immigrant visa.

If more information is needed

Sometimes a consular officer is unable to make a decision on a visa application because he/she needs to review additional documents or the case requires further administrative processing. *When additional documents are requested*, the consular officer will give you a refusal letter that asks you to submit additional documents. The letter will include instructions on how to send those documents to the embassy.

Administrative processing takes additional time after the interview. Most administrative processing is resolved within 60 days. However, the timing varies based on the circumstances of each case. Before inquiring about the status of administrative processing, please wait **at least** 60 days after your interview.

What happens after visa approval

Passport, Visa, and Sealed Immigrant Packet – We will place your immigrant visa on a page in your passport. Please review your visa to make sure there are no spelling errors. We will also give you a sealed envelope containing documents that you must give to U.S. immigration authorities when you arrive in the United States for the first time. ***Do not open this envelope. You must carry it with you. Do not put it in your checked luggage.*** If you receive X-rays during your medical examination, carry those with you and give them to the U.S. immigration authorities.

USCIS Immigrant Fee – All individuals who are issued immigrant visas overseas must **pay an [Immigrant Fee](#)** to U.S. Citizenship and Immigration Services (USCIS) **prior to traveling** to the United States. This fee is for processing your residency status and printing your Permanent Resident Card. The only people exempt from paying this fee are: children entering the United States under the Hague Process, returning residents, and people traveling on a fiancé(e) (K) visa.

When You Should Travel – You must enter the United States *before* the expiration date on your visa, which is usually six months from the date of printing. Your visa cannot be extended and all fees are nonrefundable. The principal applicant must enter **before or at the same time** as other family members with visas. Unless they are eligible for benefits under the Child Status Protection Act, children who are issued a visa before turning 21 years of age must enter the United States **before** their 21st birthday to avoid losing their immigrant status.

Getting a Green Card – Your Form I-551 Permanent Resident Card, also known as a green card, will be automatically mailed to the address in the United States that you write in your visa application form. This is a very important document that proves you have permission to reside in the United States. *If you plan to travel outside the U.S. before your green card arrives:* Please consult [USCIS's](#) and [CBP's](#) websites for rules about what documents you need to re-enter the country. We also recommend you check with the airline to ensure you are in compliance with their rules. *Once your card is issued, you should not stay outside of the United States for more than one year. If you do, you may lose your status as a Lawful Permanent Resident.*

Children's Issues – In the United States, children are required to have certain vaccinations before they can enroll in school. We recommend that you bring your child's complete vaccination records with you to the United States. If your child is adopted, you have full custody as a result of a divorce, or you share custody with another parent, you should bring a copy of all applicable adoption or custody papers from the authoritative court in your home country. You will need these papers (translated into English) for issues such as school enrollment, medical care, and eventual citizenship.

Information for New Immigrants – Please visit the USCIS web page for helpful information on moving to the United States. You can read their publication "[Welcome to the United States: A Guide for New Immigrants](#)" online.

Diversity Visa Applicants – Additional Information

If you are interviewing for a Diversity Visa (DV), all of the above instructions apply to you. Please schedule and attend a [medical examination](#) prior to your visa interview, and gather the required documents.

*Below are additional instructions that apply **only** to DV applicants.*

Bring to your interview

In addition to the documents listed on the [Pre-Interview Checklist](#) in this package, DV applicants should also bring the following items to your visa interview:

- Appointment information printed from the “Entrant Status Check” on the [E-DV website](#).
- Documents showing that you have either a qualifying high school education **OR** two (2) years of qualifying work experience in the five (5) years immediately prior to application (for the principal applicant only; more information is available [online](#)).
- Payment of the \$330 Diversity Visa Application Fee for each visa applicant, paid in U.S. dollars or euros. We accept cash or credit cards only.

Review your DV Lottery entry

Prior to your visa interview, we recommend that you review the data on your initial E-DV entry. On your initial E-DV application, you must have correctly entered your marital status. If you are legally married you must have listed your spouse, even if you are currently separated from him/her (unless your spouse is a U.S. citizen or Lawful Permanent Resident).

Additionally, you must have listed ALL of your living children who are unmarried and under 21 years old. This includes your natural children, your spouse’s children, or children you have formally adopted in accordance with the laws of your country.

Failure to have listed an existing spouse or children at the time of your entry in the Diversity Visa lottery will result in the denial of your visa and visas for your family. Any fees paid to the U.S. government in support of your visa application(s) are nonrefundable. If you failed to include a child who had already been born, or a spouse to whom you were married when you entered the lottery, you should not proceed with the visa application. You can review the eligibility requirements [online](#).
